IMPACT Grant-Transference of knowledge from simulation to clinical practice 2017
 Primary Investigator: Tracy Fasolino
 Secondary Investigators: Jean Ellen Zavertnik
 Jennifer Rice
 Lena Burgess
 Jason Thrift
 Terry Busby

Purpose: Associating the transference of knowledge from simulation to clinical practice of specific skill sets performed by nursing students.

Scaffolded Interview Developed by Nurses in Education (S.I.D.N.I.E.) 2014-2015

Primary Author: Lauren Dukes

Testing usability of software with Nancy Meehan, Jean Ellen Zavertrnik

Purpose: Creating a portable software for faculty to help instruct students on communication dynamics, interactions, and responses; programming software to facilitate faculty use at all levels of nursing instruction.
